# Foreword

## THIRTIETH ANNIVERSARY

This year marks the thirtieth year of publication for our yearbook. Hence, it is with much satisfaction and pride that we have chosen as the theme of this 1953 BREIDLIN—"Thirtieth Anniversary." This year's BREIDLIN when contrasted with the 1923 "first edition" has changed greatly in appearance, but the reasons for its existence are still much the same.

It is interesting to trace the development of yearbooks through the years. It was at the turn of the century that the earliest books made their appearances to replace the hand made scrap books of individual students. By 1915, the yearbook had acquired a somewhat fixed form. Photographs of students, classes, sports, and activities, together with a few write-ups, were included within its cover. The early "twenties" witnessed a change to elaborate over-illustrated books. This was the time our first BREIDLIN made its debut. That was in 1923.

About 1930 the yearbook with a "theme" appeared. The theme-approach gave unity to each publication and if not over-done marked a great improvement. Gradually, the yearbooks became more than a book for seniors; they contained material and information which appealed to the whole school.

As school-teaching and customs change, a book must change, too. When contrasting that first BREIDLIN, which was named in honor of Mr. BREIDinger (who for more than 30 years was principal of Coughlin) with the present one a definite visible change can readily be seen. The early book was bound in a paper cover—whereas, the most recent one is bound by a hard, embossed, padded one.

The pictures in recent editions have been arranged in a more varied pattern. All have been placed under four main divisions. A patrons' list, introduced last year, replaced advertisements. Changes have been many. But, the real reasons for the BREIDLIN'S existence have not changed. The BREIDLIN has been and will always remain a treasure chest of priceless memories—a cherished possession of each Coughlin student.

*Hail! to Coughlin, Alma Mater,  
Stepping stone to fame,  
For the student and the athlete  
With his zeal aflame*

## Chorus

*Winning in the field and forum,  
Keep the goal in view,  
Shout in chorus for our banner,  
Wave the Red and Blue*

*Pleasant memories cluster 'round it,  
Of its prestige proud,  
While the promise of the future,  
Beams through every cloud,*

*When life's noontime joy has vanished,  
Lost in reverie,  
Like the glory of the sunset  
School-day dreams we see*

## Class Song

By Phyllis Saporito, '53

TUNE: "Pretend"

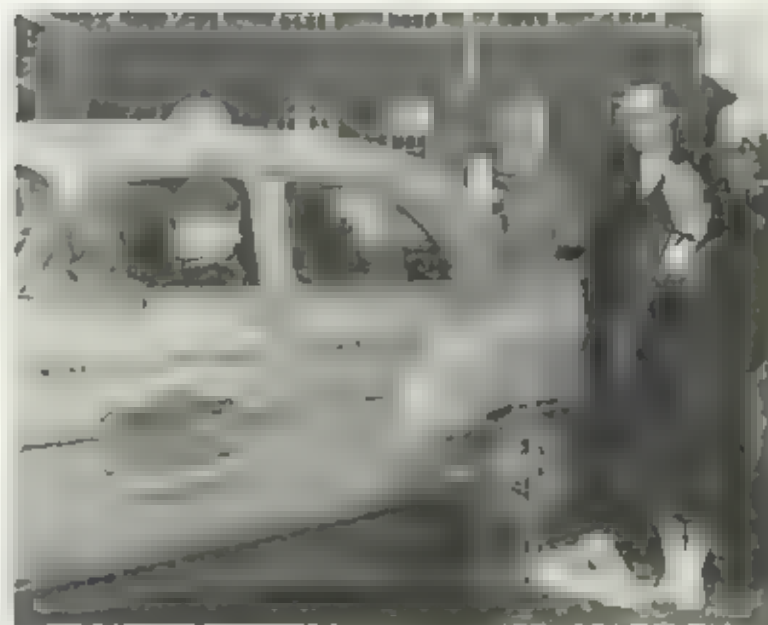

*Dear Coughlin High, we came to you  
As freshmen—met a challenge new,  
Through you we learned to honor, love, respect  
Our friends and teachers, too,  
And in these fun-filled years we gained  
A knowledge long to be sustained  
Such happy days with such delightful friends  
Too soon this gladness ends*

*As we combined our work with play,  
A new-found joy was ours each day  
These days flew into years, and then we knew  
We'd soon be leaving you  
And, what-so-ever futures hold,  
Success will come from days of old  
From days spent here with you, our friend, our  
guide,  
We'll speak your name with pride*

Chorus:

*While here, we've shared happy hours  
With friends both thoughtful and true,  
Now priceless mem'ries are ours—  
These pleasant years with you*

Watch it, Jimmy!

# Commencement-June '52

On June 12, 1952, Dr. R. C. Coughlin addressed the graduates said commencement was not the end, but rather the beginning. The seniors of '52 listened intently to his words, then proudly received their diploma and faced the future confident and brave, just beginning another phase of life's experience.

The BREIDLIN has recorded this memorable moment just as it has preserved other memories. Coughlin, and will preserve the Commencement of 1952 in a future edition. Through the years our BREIDLIN will become more valuable to us and bring to mind pleasant recollections of almost forgotten times, places and people.

Several students are working on their projects in the science laboratory. They are using microscopes to observe grasshoppers. The students are very interested in the structure of the grasshoppers and are taking notes on their observations. The teacher is supervising the students and providing them with guidance. # Seventh and Eighth Grades

Our Junior High can be proud of the interest and participation of students.

There is no doubt to the musical talent displayed by the Junior High choir, under the supervision of Mr. Clyde Owens. They have played at various occasions in the community and have been highly praised for their splendid work.

The choir is directed by Mrs. [Name] and has a vocal selection of songs at [Name]. The boys and girls devoted much time to bring us such fine music.

The Pen Pal Club cannot be over-looked. They have brought our seventh grade students in contact with boys and girls all over the world. This has helped to strengthen ties between our school and other schools.

An ardent group of ninth graders has formed our freshman Basketball Team. Mr. [Name] is coaching these boys in shape for our team. Let's "take off our hats" to Junior High.

Coughlin High School Senior-Junior Outing on Washington D.C.

The great day began at 5:45 A.M. when the group left Wilkes-Barre for Washington D.C. The group was taken to the Liberty Bell, and the Independence Hall. The group then traveled to the river where they boarded the U.S.S. Washington. The boat traveled up the river and at 4 P.M. it docked at Navy Yard in New Jersey. Here the group spent an evening.

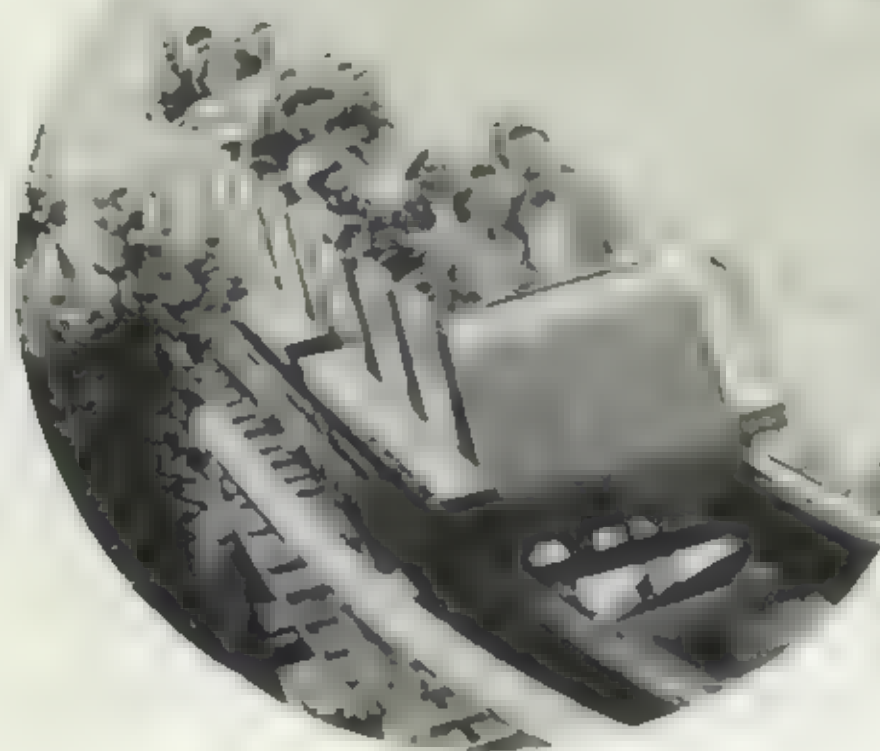

The boat then circled down river to Philadelphia, where the buses waited to transport the students to their train. We had a wonderful trip, and everyone reached home tired but happy.

We boarded the U. S. S. Washington

## "STAGE DOOR" SUCCESSFULLY PRESENTED BY SENIORS

"Glad to meet you, young man!"

Open doors and open hearts welcomed the unforgettable performance of "Stage Door" which was presented with skill by members of the Class of '53. This entertaining play sparkled with passages of rare humor, shared with the audience by the girls of the Footlights Club located somewhere in the West Fifties of New York City. An unusually large cast brilliantly interpreted the reactions of a group of young girls who faced many difficult problems as they climbed the ladder of fame and success.

The fact that nothing is impossible if you strive hard enough was proved as Terry Randall reached the top by overcoming all obstacles on her way to success.

The play will long be remembered as one of the best the school has ever had; but, without the superb supervision of Miss Myvanwy Williams, the cooperation of the cast, the necessary lights and properties furnished by the student staff, and the help of the faculty advisors, the play would not have been such a super-colossal success! It was a fine experience for cast and audience.

The members of the KEY CLUB is composed of boys in the tenth, eleventh, and twelfth grades. They have a large field of activity in their school. Two of their projects were to visit the City of Washington, D.C. In March, they acted with the Y Teens and H.Y. to present a very successful minstrel. On May 10 they held a very pleasant Mother's Day at home. KEY CLUB is a "junior" organization.

The GIRLS' ATHLETIC ASSOCIATION, better known as the G. A. A. to Coughlin students, is composed of all junior and senior girls who participate in any sport. Again this year, this organization has sponsored school dances. They have also been instrumental in sponsoring a Christmas dance and a Halloween party. The G. A. A. has given a Halloween party for the freshmen in 1935.

### Choir carols at Court House

The A Cappella Choir is both the heart and a theme  
 and a description of our A CAPPELLA  
 CHOIR. This talented choral group, under the  
 direction of Miss Arline Weiss, has enjoyed  
 many successes. They have brought the sick  
 and the aged to the young dreams  
 of the A Cappella Choir known through  
 their perfect harmony  
 and devotion. Both the students  
 and Miss Weiss have their spare time to  
 devote to various projects which include  
 entertainments at hospitals  
 and homes for the aged, and their annual  
 concert.

and, the fact that good things can come in big packages is proved by our JUNIOR High School which is under the direction of Mrs. J. Coughlin. The A Cappella, the young men's choir, the entertaining per-  
formances of the youngsters and the patience of Mrs. Coughlin. Yes, Coughlin enjoys the musical talent of these two wonderful organizations.

# Girls' Sports

## "A Sport For Every Girl"

### Basketball

The Girls Basketball League of Wyoming, which was organized in 1957, has been playing basketball games with Movers, Knott, and A. B. of Arapahoe and Wyoming Seminary. The girls have been very successful over the years. Many of the girls have been selected to play for the U.S. National team and have been successful in their careers.

### Hockey

The girls have been playing hockey for many years. They have played games with A. B. of Arapahoe and Wyoming Seminary. However, since this is a new sport, we realize that the girls must develop ability and technique before they can compete. Here is a picture of the girls.

### Volley-Ball

The girls have been playing volleyball for many years. They have played games with A. B. of Arapahoe and Wyoming Seminary. They have been very successful in their careers. Here is a picture of the girls.
